REGENERATIVE FARMING INCUBATOR GROWER OPPORTUNITY

2022 APPLICATION FORM

At the Hayes Farm, we are committed to providing a safe, inclusive, and equitable learning and working environment for all of our interns, staff, and volunteers. We believe in the power of diversity and seek to develop our organization with strong representation of women, people with varied abilities, and members of the LGBTQ2+ and BIPOC communities.

APPLICATION PROCESS

1. Read the [complete incubator outline](#)
2. Complete this application form by February 4, 2022
3. Send your full application and any business plan you have by email to the Hayes Farm Program Coordinator (hayesteachingfarm@gmail.com). We'll let you know that your application has been received!

APPLICATION PROCESS

If your attached application reflects a good match for this opportunity, we'll be in touch to discuss your plans and how they might fit in at Hayes Farm. This is also a great opportunity to ask us any questions you may have. We aim to have our incubator growing spaces allotted by the end of February at the latest. If a plot is being offered to you, you will be contacted with an offer as soon as the decision has been made. A simple agreement will be signed by both Hayes Farm and you, the incubator grower.

INCUBATOR FEES

- \$20 NBCHG membership upfront
- \$20/month fee for FB #7
- \$10/month for lasagna garden plot
- \$10/month for Marysville Community Garden plot
- If the fees pose significant financial stress, financial assistance may be available. Payment plan can be arranged.

CONTINUE TO PAGE 2

Please complete this form entirely and include it as an attachment when submitting your application by email. Include additional pages if more space is needed to provide complete responses.

Full name(s) (if you're pursuing this opportunity as a partnership, please list the names of everyone who will be involved at the farm/garden):

Mailing address: _____

E-mail address(s): _____

Phone number(s): _____

What, if any, Hayes Programs have you previously completed?

- Regenerative Farming SUMMER Internship (18 weeks) (What year? _____)
- Regenerative Farming FULL Internship (31 weeks) (What year? _____)
- Holistic Farm Business Planner course (What year? _____)

What incubator plot are you interested in working this season?

- Lasagna Garden (230 bed feet)
- Field Block 7 (596 bed feet)
- Marysville Community Garden (~1,900 square feet)

1. What are the main crops/products you intend to produce?

2. Who do you see as being your end user (who will your customers be?)

3. What have you been doing since your time at Hayes Farm (if applicable)?

4. What stage of planning are you in for this incubator opportunity?

5. Please give an idea of your plans and goals for growing at Hayes Farm this season. Be as detailed as you like, and simply attach another page if you need more space!

6. What do you feel your biggest mentorship needs are in terms of your farming plan (with what do you think you'll need the most help)?

7. Is there anything else we should know?

***Please send this completed document as an email attachment to: hayesteachingfarm@gmail.com
Reach out to us anytime via that same address, or call us at (506) 260 7932!
THANK YOU FOR YOUR APPLICATION AND WE LOOK FORWARD TO BEING IN TOUCH SOON!***
